WHAT IS FOREX TRADING?

Forex Trading, also known as Foreign Exchange Trading or FX Trading, is the process of buying one currency and selling another currency in the global financial market. It is the world's largest and most liquid financial market, where currencies are traded 24 hours a day.

In forex trading, currencies are traded in pairs such as:

EUR/USD (Euro / US Dollar)

GBP/USD (British Pound / US Dollar)

USD/JPY (US Dollar / Japanese Yen)

XAU/USD (Gold vs US Dollar)

XAG/USD (Silver vs US Dollar)

HOW FOREX TRADING WORKS

Forex trading works through currency exchange rates. The value of one currency changes compared to another based on:

Economic news

Interest rates

Market demand and supply

Political events

Global financial conditions
